

All selections were made by the KWCA after review of applications submitted by wrestlers and following an acceptance of an invitation to participate. Wrestlers who chose not to apply or who were invited but declined their invitation are not included in the final selections. The general divide of the Kansas Shrine Bowl is used to assign wrestlers to the East or West team. However, some exceptions are made to ensure fulfillment of all weight classes with wrestlers who applied and accepted invitations. All matchups are subject to change. Event information and updates can be found at [www.KansasShrineDuals.com](http://www.KansasShrineDuals.com).
